

PERSONAL MEDICATION LIST FOR:

This medication list may help you keep track of your medications and how to use them the right way.

- Use blank rows to add new medications. Then fill in the dates you started using them.
- Cross out medications when you no longer use them. Then write the date and why you stopped using them.
- Ask your doctors, pharmacists, and other healthcare providers in your care team to update this list at every visit.

If you go to the hospital or emergency room, take this list with you. Share this with your family or caregivers too.

Keep this list up-to-date with:

- prescription medications
- over the counter drugs
- herbals
- vitamins
- minerals
