RiverSpring MAP

(HMO SNP)

2019 Over-the-Counter Product Catalog

With RiverSpring MAP (HMO SNP), one of your key benefits is coverage for many over-the-counter (OTC) products. Each month, you are able to purchase OTC products and their cost is covered by the Plan. There is no out-of-pocket cost to you, up to the maximum benefit amount.

This packet contains important information about how you will use this benefit. Please save this information in a convenient place, so you can refer to it when you need to purchase additional products each month. This packet includes the following information: maximum benefit amount, how to order your OTC products and a list of products that is covered by RiverSpring Health Plans.

What is an OTC Benefit?

You are able to purchase certain health products, and the cost is covered by the Plan. Some examples are first aid products, ointments, dental products, and pain relievers. There is no out-of-pocket cost to you, up to the maximum benefit amount. For a complete list of approved OTC products, please see the list in our Over-the-Counter Products Catalog, or call Member Services at 1-800-362-2266 (TTY 711).

How Much Is My Monthly Benefit?

RiverSpring MAP (HMO SNP) will pay for up to **\$25** a month for over-the-counter products. OTC products may only be purchased for the member.

On the first of every month, your OTC benefit will automatically replenish with \$25 for you to use towards OTC products. At the end of the month, any remaining balance rolls over to the following month. Please note, at the end of every calendar year, your benefits will expire, and they may not be carried over to future years.

How Do I Use My Benefit?

There are two ways for you to take advantage of your OTC Benefit.

You can call OTC Member Services at 1-877-715-9398, 9:30 a.m. to 11 p.m., EST. TTY Users can call 711.
